ANSWERS TO QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

11 June 2009

OUTCOME 12

Topic: Health Workforce Australia Bill 2009

Hansard Page: CA 48

Senator Carol Brown asked:

Is it possible to have a list of the stakeholders that are being consulted?

Answer:

The National Health Workforce Taskforce (NHWT) has undertaken two broad consultations on the role of Health Workforce Australia, in particular in relation to the clinical placements model. The NHWT has also invited submissions on discussion papers. Details of contributing organisations are at Attachment A. In addition, NHWT has hosted a series of roundtables in each state and territory and has also met with stakeholders individually.

The Department of Health and Ageing has also met with a number of organisations individually where the COAG measures were at least one item on the agenda.
