To Whom It May Concern:

RE: Parliamentary inquiry in financial products and services: notification of adverse comment Submission NO 28 – by Mr Taylor.

In response to adverse comments made - There was regular communication with Mr Taylor including meetings, telephone and written communication. Extensive and detailed file notes were recorded in the Storm platform - Phormula and in Mr Taylor's file / Electronic Folder.

I implore you to read thoroughly through the lengthy notes / history of the whole file. I trust this will assist into obtaining a full and objective view / understanding of the file from start to finish.

Kind Regards

Bernardine Frawley
