Subject: Senate Inquiry - ABC management

To whom it may concern,

I am writing in regard to the Senate inquiry underway into the 'Methods of appointment to the ABC Board. I am interested in doing all possible to enhance public confidence in the independence and representativeness of the ABC as the national Broadcaster. Inherent in my concern is the importance of having a management board free of a political agenda.

I value the ABC as an independent, quality media source and place it's integrity and strength as a broadcaster high on the national agenda, both in relation to informing and educating the public, and also in providing a balanced perspective in the media.

Thankyou,

Yours Sincerely,

Sara Isherwood
