Subject: Senate enquiry into methods of appointment for ABC Board

The Secretary,
Senate Environment, Communications Technology and the Arts Reference C'ttee
S157 Parliament House
Canberra ACT 2000.

Dear Sir

I write to express my concern at the political nature of appointments to the Board of the ABC. I believe that this should be outside the realm of political choice in order to allow the Board proper independence in reflecting the affairs of this country.

Yours faithfully

M.S.Charles-Jones (Mrs.)
