4 **60 After section 152AS**

5 Insert:

6 **152ASA Anticipatory class exemptions from standard access**

8 *Determination providing for exemption*

9 (1) The Commission may, by written instrument, determine that, in the
10 event that a specified service or proposed service becomes an
11 active declared service, each of the members of a specified class of
12 carrier or of a specified class of carriage service provider are
13 exempt from any or all of the obligations referred to in
14 section 152AR, to the extent to which the obligations relate to the
15 active declared service.

16 (2) A determination under this section may be unconditional or subject
17 to such conditions or limitations as are specified in the
18 determination.

19 (3) A determination under this section has effect accordingly.

20 *Criteria for making determination*

21 (4) The Commission must not make a determination under this section
22 unless the Commission is satisfied that the making of the
23 determination will promote the long-term interests of end-users of
24 carriage services or of services supplied by means of carriage
25 services.

26 (5) In applying subsection (4), the Commission must have regard to:

27 (a) any matters specified in an instrument in force under
28 subsection (6); and

29 (b) the matter set out in subsection 152AB(2).

30 This subsection has effect despite subsection 152AB(3).

1 (6) The Minister may, by written instrument, specify matters for the
2 purposes of subsection (5).

3 (7) An instrument under subsection (6) is to be made available on the
4 Internet.

5 *Expiry time of determination*

6 (8) A determination under this section must specify the expiry time of
7 the determination. If a determination expires, this Part does not
8 prevent the Commission from making:

9 (a) a fresh determination under this section in the same terms as
10 the expired determination; or

11 (b) if the service or proposed service has become an active
12 declared service—a determination under section 152AS in
13 relation to the service.

14 (9) The expiry time of the determination may be described by
15 reference to the end of a period beginning when the service or
16 proposed service becomes an active declared service.

17 (10) Subsection (9) does not, by implication, limit subsection (8).

18 *Consultation*

19 (11) If, in the Commission's opinion, the making of a determination
20 under this section is likely to have a material effect on the interests
21 of a person, then, before making the determination, the
22 Commission must first:

23 (a) publish a draft of the determination and invite people to make
24 submissions to the Commission on the question of whether
25 the draft determination should be made; and

26 (b) consider any submissions that were received within the time
27 limit specified by the Commission when it published the
28 draft determination.

31 instrument for the purposes of section 46A of the *Acts*
32 *Interpretation Act 1901*.

1 *Definition*

2 (13) In this section:

3 *active declared service* has the same meaning as in section 152AR.

4 Note: The heading to section 152AS is altered by omitting “Class” and substituting
5 “Ordinary class”.

6 **61 Subsection 152AT(10)**

7 Repeal the subsection, substitute:

8 *Commission to make decision within 6 months*

9 (10) If the Commission does not make a decision on an application
10 under subsection (1) within 6 months after receiving the
11 application, the Commission is taken to have made, at the end of
12 that 6-month period, an order under paragraph (3)(a) in accordance
13 with the terms of the application.

14 (11) In calculating the 6-month period referred to in subsection (10),
15 disregard:

16 (a) if the Commission has published the application under
17 subsection (9)—a day in the period:

18 (i) beginning on the date of publication; and

19 (ii) ending at the end of the time limit specified by the
20 Commission when it published the application; and

21 (b) if the Commission has requested further information under
22 section 152AU in relation to the application—a day during
23 any part of which the request, or any part of the request,
24 remains unfulfilled.

25 *Extension of decision-making period*

26 (12) The Commission may, by written notice given to the applicant,

28 subsection (10), so long as:

30 than 3 months; and

31 (b) the notice includes a statement explaining why the
32 Commission has been unable to make a decision on the

1 application within that 6-month period or that 6-month period
2 as previously extended, as the case may be.

3 (13) As soon as practicable after the Commission gives a notice under
4 subsection (12), the Commission must cause a copy of the notice to
5 be made available on the Internet.

6 *Notification of refusal of application*

7 (14) If the Commission makes a decision refusing an application under
8 subsection (1), the Commission must give the applicant a written
9 statement setting out the reasons for the refusal.

10 Note: For variation and revocation of orders, see subsection 33(3) of the

28 provider may apply to the Commission for a written order that, in
29 the event that a specified service or proposed service becomes an
30 active declared service, the person is exempt from any or all of the
31 obligations referred to in section 152AR, to the extent to which the
32 obligations relate to the active declared service.

33 (2) An application under subsection (1) must be:

- 1 (a) in writing; and
2 (b) in a form approved in writing by the Commission for the
3 purposes of this paragraph.

4 *Commission must make exemption order or refuse application*

- 5 (3) After considering the application, the Commission must:

- 20 (7) In applying subsection (6), the Commission must have regard to:
21 (a) any matters specified in an instrument in force under

24 This subsection has effect despite subsection 152AB(3).
- 25 (8) The Minister may, by written instrument, specify matters for the
26 purposes of subsection (7).
- 27 (9) An instrument under subsection (8) is to be made available on the
28 Internet.

1 *Expiry time for exemption order*

- 2 (10) An order under paragraph (3)(a) must specify the expiry time for
3 the order. If an order expires, this Part does not prevent the
4 Commission from making:
5 (a) a fresh order under paragraph (3)(a) in the same terms as the
6 expired order; or
7 (b) if the service or proposed service has become an active
8 declared service—an order under section 152AT in relation
9 to the service.

10 *Consultation*

- 11 (11) If, in the Commission’s opinion, the making of an order under

32 (ii) ending at the end of the time limit specified by the
33 Commission when it published the application; and

2 remains unfulfilled.

3 *Extension of decision-making period*

4 (14) The Commission may, by written notice given to the applicant,
