

## Appendix 3

### Exhibits

#### Canberra, 22 March 2002

Centre for Resource and Environmental Studies, Australian National University

*For the public health: The Hunter District Water Board 1892 - 1992*, by Clem Lloyd, Patrick Troy and Shelley Schreiner;

Description of the Biological Aquatics System by Pryme Wastewater Treatment P/L, 28 pages

*Safeguarding Environmental Conditions for Oyster Cultivation in New South Wales*, Report for the NSW Healthy Rivers Commission by Professor Ian White, Jack Beale Professor of Water Resources, CRES, ANU, August 2001.

Planning Institute of Australia

*List of Sustainable Urban Land & Water BMP Design Guidelines*, prepared by the Cooperative Research Centre for Freshwater Ecology, University of Canberra

Mr Paul Totterdell

*"Buried dams" help clean recycled water*, by Simon Toze, CSIRO Land and Water, downloaded from <http://www.clw.csiro.au>

Sullivans Creek Catchment Management Group

*Sullivans Creek Catchment Management Plan* - Draft for public comment, May 2000

#### Townsville, 3 April 2002

Great Barrier Reef Marine Park Authority

Three GBRMPA-produced CD-ROMs:

- *Great Barrier Reef Catchment Water Quality Action Plan: A Report to Ministerial Council* on targets for pollutant loads;
- *Flood Plumes in the Great Barrier Reef: Spatial and Temporal Patterns in Composition and Distribution*, Research Publication No. 68, November 2001;
- *A review of Water Quality Issues Influencing the habitat quality in Dugong Protection Areas*, Research Publication No. 66, January 2002

Brochure: *Land Use and the Great Barrier Reef World Heritage Area*, Current State of Knowledge November 2001, published by CRC Reef Research Centre;

Brochure: *Water Quality: A threat to the Great Barrier Reef*, published by GBRMPA;

Brochure: *The current level of scientific understanding on impacts of terrestrial run-off on the Great Barrier Reef World Heritage Area*, produced by CRC Reef Research Centre.

#### Townsville City Council (TCC)

*Monitoring Water Quality and Gross Pollutants*, flyer produced by TCC;

*Monitoring Toxic Heavy Metals in Urban Stormwater*, flyer;

*NHT Louisa Creek Project*, flyer produced by TCC;

*Urban Stormwater Initiative*, flyer produced by TCC;

*Soil Erosion Fact Pack*: A comprehensive kit aimed at control of erosion and sediment on residential building sites (contents: Erosion and sediment control on residential building sites trifold produced by TCC; 7 pages of Soil Erosion Fact Pack information sheets);

*Erosion and Sediment Control Planning for North Queensland*, Background material for a 5 day course, produced by TCC;

Extract from *Australian local government environment yearbook 2002* relating to environmental management in TCC;

*Please help our waterways*, trifold produced by TCC.

### **Brisbane, 4 April 2002**

#### Moreton Bay Waterways and Catchment Partnership

*South East Queensland Regional Water Quality Management Strategy*, September 2001, published by Healthy Waterways (CD-ROM);

*Moreton Bay Study: A Scientific Basis for the Healthy Waterways Campaign*, by William C. Dennison and Eva G. Abal, published by Healthy Waterways;

*Ecosystem Health Report Card 2001*, *South East Queensland Waterways*, pamphlet published by Healthy Waterways;

*Healthy Waterways - Healthy Catchments: Synthesis of scientific results of the South East Queensland Study*, published by Healthy Waterways;

*Healthy Waterways Happenings*, Issue 12, December 2001;

Copy of overhead projections shown at hearing.

Wildlife Preservation Society of Queensland, Bayside Branch (Qld) Inc.

Volume containing 32 photographs, copies of an exchange of correspondence with the Queensland Minister for Environment and Heritage, a related CD-ROM, an extract headed *Good science, legal advice and persistence* from an unidentified paper, and a newspaper extract dated 22 August 1995 relating to the clearing of protected flora on the Bay Islands.

WPSQ submission to Environment Australia in relation to the Redcliffe Seaside Estates urban and commercial development, 1 March 2002

WPSQ submission to Redland Shire Council about development proposals for South Street, Cleveland, 10 July 2001

Environmental Report Re: Proposed Residential Development 65-89 Duncan Street, Wellington Point, by Lynn Roberts, 19 June 2001

Queensland Environment Protection Authority

*Managing and Reducing Losses from Water Distribution Systems: Manual 8 - Case Studies in Water Loss Management*, Environmental Protection Agency (Queensland) and Wide Bay Water, 2002

*A Water Pricing Strategy for the City of Gold Coast*, Volume 1 Report of the Water Pricing Advisory Committee, 10 January 1997

*Final Report: Minimum Performance Standards for Showerheads in Australia: Strategy Development*, prepared by Institute for Sustainable Futures, November 2000

*Wise Water Management - A Demand Management Manual for Water Utilities*, Water Services Association of Australia, November 1998

*WaterWise Manual of Best Practice: Water conservation in large hotels and resorts*, by Sally MacKinnon, Wet Paper Consultant to the Gold Coast City Council Water Wise program, June 1996

*The Water Wise School: How to save water and money by involving the whole community*, by Sally MacKinnon, Wet Paper Consultant to the Gold Coast City Council, 1998

*WaterWise Information Guide: Water Conservation in Caravan Parks*, by Sally MacKinnon, Wet Paper Consultant to the Gold Coast City Council Water Wise program, June 1997

Brisbane City Council

Overhead projections used at hearing, *Brisbane: Water for the Future*, April 2002.

## **Sydney, 18 April 2002**

### Stormwater Industry Association

*Towards Continuous Simulation: A Comparative Assessment of Flood Performance of Volume-Sensitive Systems*, a paper presented by George Kuczera and Peter Coombes at the Stormwater Industry Association Conference on Urban Stormwater Management, 23-24 April 2002.

### NSW Department of Land and Water Conservation

NSW Department of Land and Water Conservation *Annual Report 2000/2001*.

### Australian Water Association

*The Australian Water Directory 2002*

*We all use water - A users' guide to water and wastewater management (consisting of a set of 30 trifold flyers)*

*Community Involvement Presenters' Manual* for *We all use water* program

*We All Use Water* - PowerPoint Presentations Community Involvement Presenters Manual (CD Rom)

*The Coetanger River Catchment*, by Jenifer Simpson (booklet as part of the *We all use water* program)

Brochure: *Water in a Dry Land - issues and challenges for Australia's key resource*

*Performance Monitoring Report 1999-2000 - Australian Non Major Urban Water Utilities*, published by the Australian Water Association, 2001

*Water* (Journal of the Australian Water Association), February 2002

*Water* (Journal of the Australian Water Association), March 2002

*Australian Junior Water Prize* - flyer

*Ripples & Reflections - Celebrating a Decade of Waterwatch* - The Third National Waterwatch Conference, University of Tasmania, July 2002, Registration and Information Brochure

*Innovations in Water* - AWA 20<sup>th</sup> Convention & Exhibition, Perth, April 2003: First Announcement

*Innovations in Water* - AWA 20<sup>th</sup> Convention & Exhibition, Perth, April 2003: Call for Papers

## **Melbourne, 23 April 2002**

### Victorian Water Industry Association

*Urban Water Review 2000/01*, published by the Victorian Water Industry Association, 2001

### National Competition Council

*Assessment of Government's Progress in Implementing National Competition Policy and Related Reforms*, June 2001, by NCC (on CD ROM)

*The 2002 NCP Assessment Framework for Water Reform*, by NCC.

### Bayside City Council

Council reports on *Water Pollution* (No. 300) and *Water Conservation* (No. 301), February 2002

*Port Phillip Coastal and Marine Planning Program - Stormwater Implementation Project: Statutory Framework and Standards*, Association of Bayside Municipalities, September 2001

### Mr Mark Bartley

*Reuse Options for Household Wastewater*, Copy of Information Bulletin by EPA Victoria, November 2001.

### Melbourne Water Corporation

*Waterways and Drainage - Operating Charter* by Melbourne Water, June 1999

### City of Port Phillip

*Port Phillip Coastal and Marine Planning Program*, September 2001 (CD ROM)

### Dr Peter Fisher

*Trade Notice - Research & Field Evaluation of SQIDs*, by Bell Environmental

### CDS Pty Ltd

*A Comparative Analysis. Storm Water Pollution Policy in California, USA and Victoria, Australia*, by Xavier Swamikannu and Dan Radulescu (California Environmental Protection Agency) and Ross Young and Robin Allison (Melbourne Water Corporation).

### Clean Ocean Foundation

- *Funding the Gunnamatta Outfall Closure Potable Treatment* (pie chart)

**Perth, 29 April 2002**Water and Rivers Commission*Summary of Water and Rivers Submission*

Sheet of four photos headed *The new form of Urban Water Management in WA*.

Mr Alan Hill/Urban Hills Land Conservation District Committee

*Water Conserving Design for Gardens and Open Space*, Water Authority of Western Australia, December 1989

*Wetlands of the Swan Coastal Plain Volume 2A: Wetland Mapping, Classification and Evaluation*, by AL Hill, CA Semeniuk, V Semeniuk and A Del Marco, 1996

*Wetlands of the Perth to Bunbury Region: Coastal Wetlands from Wedge Island to Mandurah*, a broadsheet published by the Water Authority of Western Australia, circa 1992

*Encouraging Wise Use of Perth's Wetlands: Wetlands of the Perth to Bunbury Region*, a broadsheet published by the Water Authority of Western Australia and the Department of Environmental Protection, circa 1993

**Adelaide, 30 April 2002**Department of Water, Land and Bioconservation

*Water Proofing Adelaide - Urban Water Quality Initiative* (draft)

*State Water Plan 2000* - Volumes 1, 2 and Explanatory Documents (and on CD ROM)

South Australia Water Corporation

*Presentation to the Senate Inquiry into Urban Water Management* (slides)

River Murray Urban Users Committee

*Conserving River Murray Water in South Australia - Investigations to develop an Education Kit for Local Government*, by QED Pty Ltd, July 2001

*Changing Water Behaviour* by Shona Batch, November 2001

Mr Trevor Daniell

An extension to his original written submission.

Henley and Grange Residents Association

Hard copy of their overheads presentation material.

## **Canberra, 23 May 2002**

### ACT Government

A set of slides relating to the ACTEW Corporation

### Murray-Darling Basin Commission

Presentation to the *Senate Inquiry into Urban Water Management* (slides);

*Review of Cap Implementation 2000/01*, Report of the Independent Audit Group, published by the Murray-Darling Basin Ministerial Council, March 2002;

*Integrated Catchment Management in the Murray-Darling Basin 2001-2010*, published by the Murray-Darling Basin Ministerial Council, June 2001;

*Basin Salinity Management Strategy 2001-2015*, published by the Murray-Darling Basin Ministerial Council, August 2001; and

*Murray-Darling Basin Initiative*, published by the Murray-Darling Basin Commission, 2001.
