Dear Sir/Madam

**INQUIRY INTO THE PROVISIONS OF THE DO NOT CALL  
REGISTER BILL 2006**

I write in response to the above Inquiry. As a member of the Australian Direct Marketing Association (ADMA) and CEO of an organisation that conducts responsible telephone marketing practices, I would like to support the submission made by the Association in relation to the provisions of the Do Not Call Register Bill 2006.

For the reasons outlined in ADMA's submission, the Bill, as currently drafted, will significantly hinder the ability for Legion Interactive to effectively service existing customers. Legion Interactive submits that the amendments proposed by the Association are essential to ensure the legislation can deliver on its objectives i.e to provide individuals with the choice whether or not to receive future unsolicited telephone calls.

I would like to request that Legion Interactive be consulted on future developments relating to a national Do Not Call register

Yours faithfully
