Women's and Girls Football 2006-2008 STRATEGIC PRIORITIES

GROWING THE GAME

To maximise female participation in Australian football.

- Develop a participation pathway for female participants from AFL Auskick to senior women's competitions.
- Women's and girls football to be an integral component of the community football structure.
- Increase opportunities for female students to participate in primary and secondary schools
- Ensure all leagues are affiliated with state bodies

QUALITY ENVIRONMENT AND CULTURE

Develop quality, safe and inclusive female environments

- Increase club accessibility for participants
- Create quality club environments
- Improved coaching and umpiring programs

OPPORTUNITIES FOR TALENTED ATHLETES

To capture and develop talented female footballers, including first choice talents.

- Provide opportunities for talented female participants at all levels
- Conduct National Championships using best available facilities focussing on individual development and the opportunity to display talent

MEDIA AND PROMOTION

To promote awareness and drive participation in female football programs and activities.

- Present Women's and girls football in a positive light
- Develop the female football section of the AFL website to disseminate information

WOMEN'S AND GIRLS STRATEGIC PLAN 2006-2008 Outcomes & Initiatives

GROWING THE GAME

To maximise female participation in Australian football.

Measurable Outcome 1

Participation pathway for female participants from AFL Auskick to senior women's competitions is developed.

Associated Initiatives

- Utilise AFL Auskick as the key introductory program for young girls.
- Develop youth girls competitions
- Ensure the viability of senior women's competitions
- Links youth and school based programs to exist clubs
- Establish linkages between each level of the participation pathway to encourage transition.

Measurable Outcome 2

Women's and girls football is an integral component of the community football structure.

Associated Initiatives

- Integrate female football with existing community football infrastructure to encourage growth
- Encourage clubs to consider fielding female teams in their existing club structure

Measurable Outcome 3

Increase participation opportunities for female students in both primary and secondary schools.

- Develop and enhance school-based female football competitions
- Introduced female students to the game via modified games eg: AFL Recreational Football
- Provide professional development opportunities to female teachers
- Utilise the AFL Sport Education model to introduce female students to the game.

QUALITY ENVIRONMENT AND CULTURE

Develop quality, safe and inclusive female environments

Measurable Outcome 1

Increase club accessibility for participants

Associated Initiatives

- Provide support for the establishment of new clubs/teams.
- Create and maintain a directory of female clubs and team's link to the national website.

Measurable Outcome 2

Create quality league and club environments

Associated Initiatives

- Ensure all state leagues sign an affiliation agreement with their state bodies. Affiliation agreements to be clearly defined for both parties
- Identify and implement quality club environment criteria.
- Implement best practice eg: quality club award and club management program.
- Standardise the rules, regulations and by-laws across Australia and ensure communication channels between leagues.

Measurable Outcome 3

Improved coaching and umpiring programs

- Provide umpire training programs that engage and encourage female participation.
- Conduct female only coach education courses.
- Develop specific orientation course/material for coaching female footballers.

OPPORTUNITIES FOR TALENTED ATHLETES

To capture and develop talented female footballers, including first choice talent.

Measurable Outcome 1

Provide opportunities for talented female participants at all levels

Associated Initiatives

- Once participation pathway is developed look to provide opportunities for talent youth participants.
- Reduce the barrier of cost to ensure that the most talented footballers in each state participate
- Promote the opportunity that exists for female participants to represent their state and Territory
- Explore international opportunities (GAA)

Measurable Outcome 2

Conduct National Championships in a professional manner using best available facilities with a focus on individual development and the opportunity to display talent.

Associated initiatives

- Ensure championship match arrangements and regulations are strictly adhered to.
- Identify best facilities available in host state
- Engage state football body to assist with the management of the championship.
- Players to sign code of conduct prior to participating in the championship

MARKETING AND PROMOTION

To promote awareness and drive participation in female football programs and activities.

Measurable Outcome 1

Women's and girls football to be presented in a positive light

- Promote female football as a quality sporting alternative to the traditional female sports.
- Utilise AFL events to promote female football e.g. Women's / Mother Day Round
- Development of National promotional material for female football.
- Development of a communications and PR plan for female football

events.

Develop profile of one female player in each state to be the face of women's football.

Measurable Outcome 2

Develop the female football section of the AFL website to disseminate information.

- Collate contact, competition and general interest information for female football in each state to be included on the AFL website.
- Update information and news articles on the AFL Website on a weekly basis.
- Ensure AFL website links to State specific female football sites.

2005 WOMEN AND GIRLS PARTICIPATION IN AUSTRALIAN FOOTBALL

The following tables are sourced from the 2005 Census of Australian Football Participation and Players, Street Ryan and Associates Pty Ltd (December 2005).

Women and Girls Participating in Programs or Competitions of six weeks or more by State, Region and Age Group.
