

**To the honourable Malcolm Turnbull.**

**My name is peter Knowles. I am an Australian citizen who is now working in Indonesia . For forty years, I worked in Australia and paid all of my required taxes. Here I work 35 x 14 hour days straight, under third world conditions, and oppressive temperatures to earn enough money to retire. ( at age 65 ). My company pays 35% tax on my gross salary, and I must submit all proof to the Indonesian government, that I have paid Indonesian rate taxes on any income ( local and in Australia.). I holiday in Australia and contribute to the Australian economy. I am disgusted with the Labour party proposed expatriate money grab and I strongly urge your party to vote against this outrageous proposal.**

**Yours Sincerely Peter Knowles.**
