Dear ~~Kerr~~

These are all the things that worry me too much about all the Country men and women sleeping on the road side and some time sleeping on the road. We don't want the same thing that happened at Wataran not long ago.

I want you to talk to ^{the} mob that runs the night Patrol service in every community. We are also asking for two safe houses in community people can be brought back to the safe house or sobering up shelter you might call it and we want our club to open so people can stay here and drink.

These three community I'm asking for.

Baranga Beswick and Eva Valley that is all I'm asking for help.

Could you please do it for my countrymen and women. Hope to hear from you soon.

Yours Sincerely,
Barry ROBINSON
