VICTORIA (1 counsellor position filled, 3 part time and 7 organisations purchasing counselling services)

(* Victoria has opted to 'buy' Emotional/Social Well being services with their BTH funding. This means that Victorian services have no identified BTH counsellors as such; the counsellors are 'purchased' on a casual basis and the person employed from BTH funds coordinates this and other related activities. For instance, existing services such as State Mental Health work in with the project officer to identify clients and client need.)
