

To the Senate Legal and Constitutional Committee,

I am the project officer of the RMIT Refugee and Asylum Seeker project. The project exists to facilitate access to University and TAFE Education for Temporary Protection Visa holders and asylum seekers on bridging visas.

We would like to submit to the Inquiry into the administration and operation of the Migration Act 1958 on the following issues:

1. the limitations on temporary protection visas;
2. the imposition of no study and other conditions on bridging visas;
3. delays in processing of protection visa applications; and
4. education in detention centres.

Further submissions will follow.

Yours sincerely,
