

Please accept the following as my submission as part of the Inquiry into the provisions of the Migration Amendment (Designated Unauthorised Arrivals) Bill 2006.

I have recently watched Hotel Rwanda - the torture and horror reminded me how lucky I am that I live in Australia. It fills me with despair to think that fellow human beings are escaping from death, torture and inconceivable terror and we treat them like criminals. I support community placement of refugees, like in Sweden.

I therefore oppose the Migration Amendment (Designated Unauthorised Arrivals) Bill 2006.
