

senate submission

For the consideration of the Legal and Constitutive Affairs Committee
Regarding the Marriage Equality Inquiry

Dear Senate Legal and Constitutional Affairs Committee,

This is my submission to your inquiry into marriage equality. I fully endorse the submission made by Australian Marriage Equality in favour of the Marriage Equality Amendment Bill 2009.

In addition I would like to add that the current legal status for same-sex couples is discriminatory and does not accurately reflect how the majority of Australians perceive same-sex relationships. I feel that it is tragic to live in a country with a high standard of human rights and social services, and yet we continue to discriminate against minority groups.
