R & R Affairs ACT

Dear Sir / Madam,

I am writing in regarding to changes to the Independent Youth Allowance Criteria.

Our youngest son is in yr 11 at present & would take a GAP yr 2011. To take 2 years off & then go to University, would not work, commencing in 2013. It is very hard being disadvantage living so far away. We could not afford to send Charles straight to University.

Please give the Bush Kids a fair go, we need the Youth Allowance criteria NOT to change. We are looking for your support.

Yours Sincerely

Jennifer E. Kerr
